BIO

Kelly S. Jones is a living bridge between the human and the divine — a masterful guide who helps her global clientele transcend fear, reclaim truth, and awaken to their soul's purpose, power, and potential. Her work of 25 years as a transformational life coach, author, speaker, teacher, and healer is anchored in the Akashic Records, Feng Shui, and Energy Healing. Kelly helps people find their authentic voice and live in alignment with their truth through her signature trifecta — a powerful fusion of intuitive insight, energy transmission, and practical tools that catalyze lasting soul-level transformation.
