Suggested Interview Questions & Links

Transformational Life Coach

- How does the “Dance of Mirrors” impact one’s interpretation of life experiences?
- How does one shift from fear-based perspectives into loved-based living?
- What does a typical client journey look like with you, and how do you guide them through transformation?
- How do forgiveness, gratitude & inner responsibility play a major role in living one’s best life?
- Based on personal life experiences, what are truths you live by and guide your clients toward?
- What kinds of pain or resistance do people typically face on their healing journey—and how do you guide them toward transformation?
- What do you bring to each session that sets your work apart from more traditional coaching or healing approaches?
- What’s one message or truth you wish everyone understood about healing or awakening?

Akashic Records

- What are the Akashic Records & how do they support personal transformation and healing?
- How do you access the Akashic Records and where are they?
- Are the Akashic Records about the past only or are they also predictive of the future?
- Why are questions important and what types of inquiries can one make?
- What level of consciousness do the Records work at?
- Can anyone access his or her Akashic Records?
- What type of information can one gain from them?

Feng Shui

- What is Feng Shui and how does it help one live a better life?
- How and why does Feng Shui work?
- I’ve heard there are different forms of Feng Shui. Can you tell me about them and what you do?
- You say Feng Shui ‘gives a voice to your space’, what do you mean?
- How does one prepare for a Feng Shui consultation and what might one expect from the experience?
- What type of results have you seen with your clients?
- I understand you have also done Chinese Astrology called Four Pillars of Destiny. What is that and how does this influence a Feng Shui analysis?
